Run Number 136
Starting at the Nawaab, Levenshulme Manchester

Joint run with Manchester Curry Hash
Run Number 2

The Pack: Overdrive, Snoozanne, Cleopatra, Madhatter, Alternative Entrance (Hare) Carless Whisper, Dave, Carthief, FCUK, Carl, Compo, Sprog, 10"

I had thought to repeat **Snoozanne's** trick with the last MCH3 combined run but as I had not forgotten to take photographs it would not have been at all as minimalistic as the Trash for MTH3 Run No. 128.

The first casualty (in fact the only one) of the event was **Alternative Entrance's** gloves which succumbed, after several hours of plaster board

holding, It was not clear whether the white was a lining to the gloves or leftover plasterboard.

We left the Nawaab and ran down Stockport road to

But luckily our Hare had not spotted the Check Back possibilities.

Into Marshall Road, Slade Lane and several Hash Flashes later

A tricky split

and **Mad Hatter** was definitely showing chip withdrawal signs (mouth open tongue hanging out).

A long run along Moseley Road had the Pack rather spread out and an impromptu Hash Halt was called.

The Pack gathered with some faking high energy and some running

Whose are these?

In honour of the Hare, **Overdrive** wore her name on his heart.

Trying to record the evidence **Hash Flash** was accused of inappropriate sexual behaviour but his theory is that **Overdrive** was deflecting his being found out!

Manchester University beckoned and **Snoozanne** thought that it was great

She also thought that the sign on the student's canteen was highly appropriate

A student's life Refreshment (Beer) Learning (Lecture) Relaxation (Sleep).

On the way out the name of the campus caught Hash Flash's eye as being highly inappropriate for a learning institute.

Fallow means the stage of crop rotation in which the land is left uncultivated

We then came to what the Pack decided was the efforts of **AE**'s charges. She had even marked the pavement (in case we missed it) with HA (Hash Art).

The way in was slightly confusing (we missed the On Inn) but we went past some curious signs

Back at the cars, running repairs were necessary to The Tat

The Hare was called up

Sprog then announced that he had a sermon about two Asians who were taken to hospital after taking drugs.

One was in a Korma and the other one had a dicky Tikka. Awarded the usual

The Hare for wearing her glove through. She received a new white glove (well it was new to her!)

The Returnees were called up. There was some discussion about whether the Returnees could be from the MCH3 as there had only been one run.

Eventually (these things are important (at least to Hashers) it was decided that there had to be Virgins on the MCH3 and Returnees for the MTH3

Returnees Carless Whisper, Carthief, Dave, Cleopatra, Carl.
Virgins Carthief, 10", Carl.

I may have missed a few in the confusion

Dave for his competitive running

Carthief for his inappropriate sexual behaviour.

The Happy Couple Carless Whisper and Dave.

We retired to the Nawaab

Where we waited a while

Received a text from **Wigan Pier**

And then ate ourselves to a standstill.
