

**Run No. 19 14th September 2006**

**Rose & Crown, Bebington**

Austin Powers; RTFuct; Snoozanne; Whinger; Lady Penelope; Carthief; Compo (Hare); Sergeant Pecker; Peter Pan; Bacardi Spice; Bess; BJ; Shoe horn.

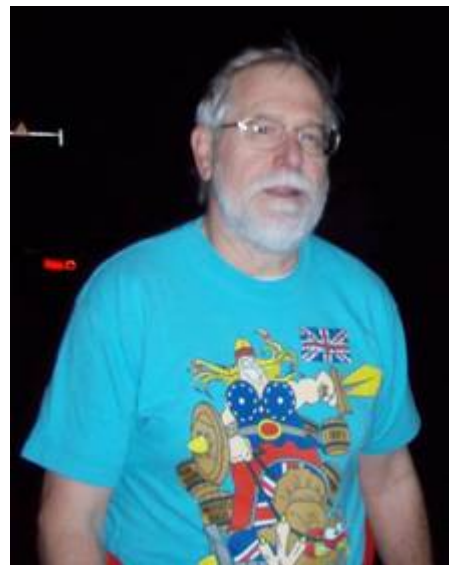

This must be something of a record as it is being written in May 2012.

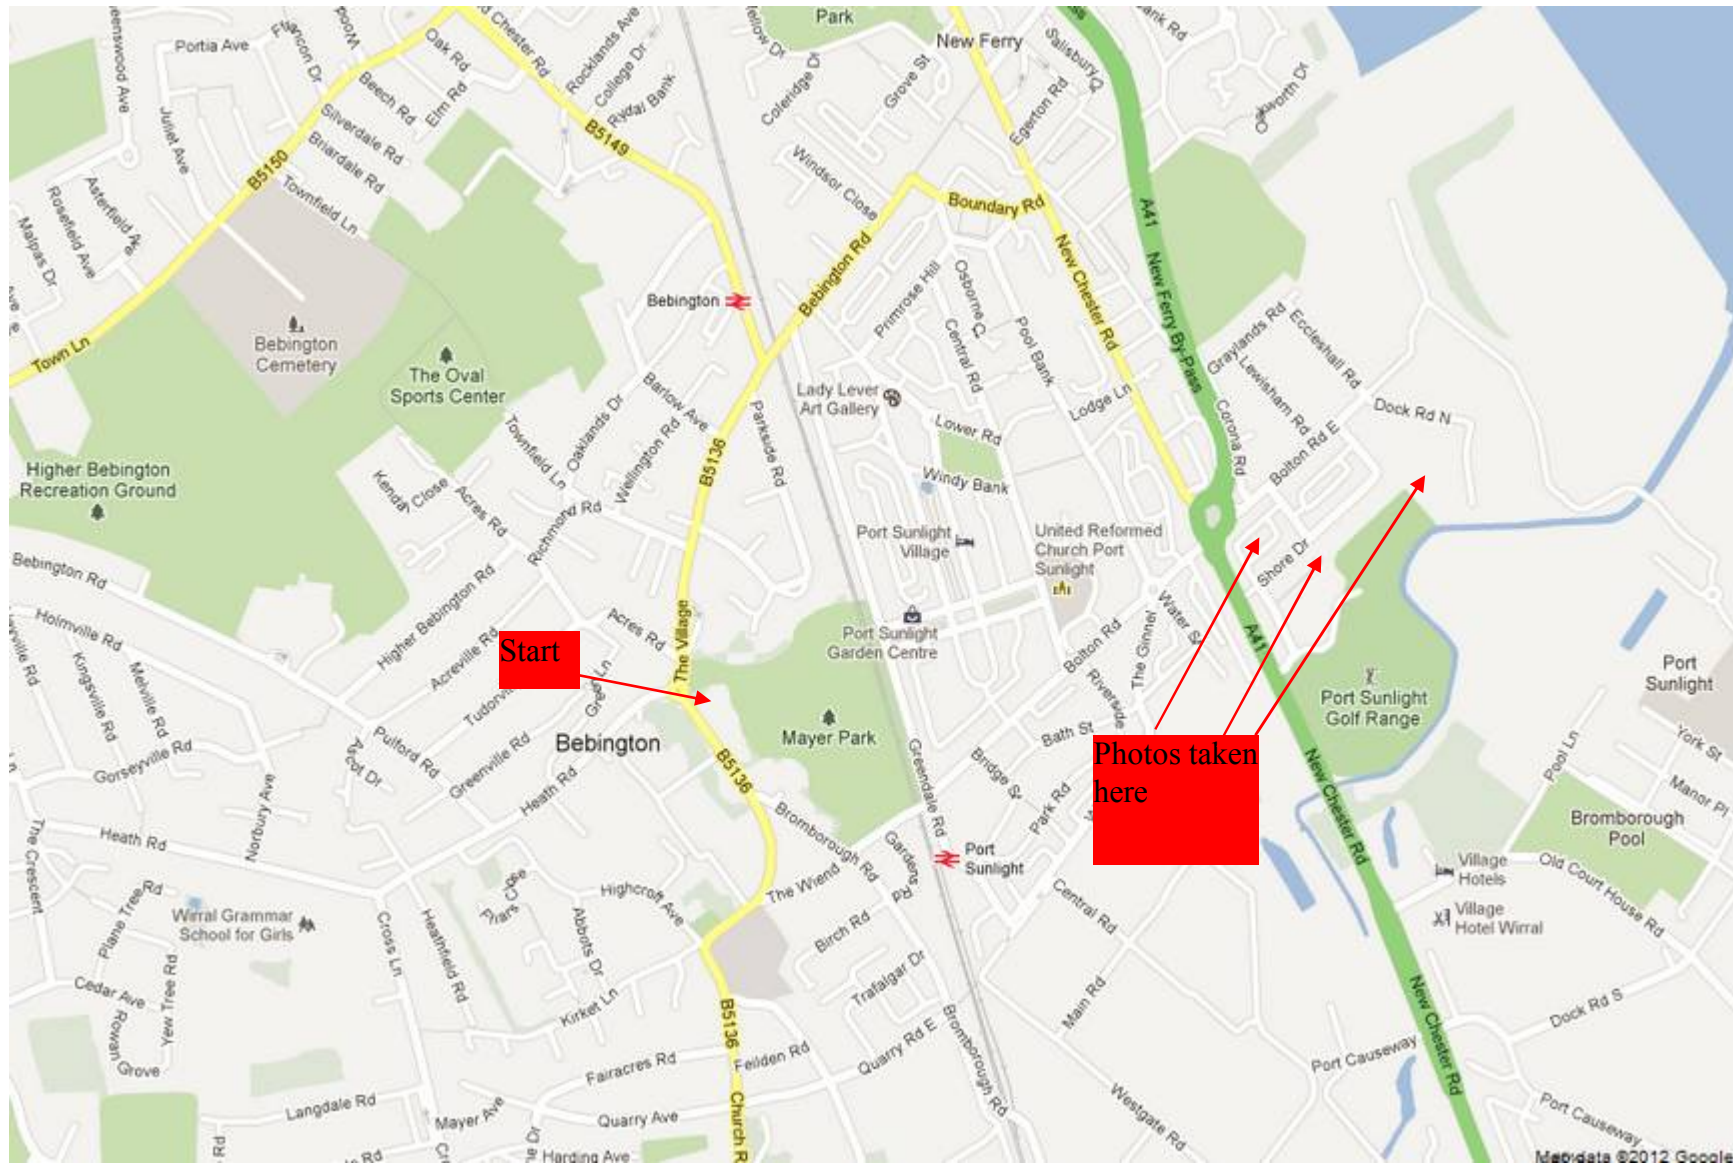

Courtesy of Google Street view (not available in 2006). You have to imagine the Pack standing in front.

Both RTFuct and Carthief had forgotten their cameras so CT walked round parts of the route the following day and took some shots in daylight.

THE PACK

I had to guess as to Shoe horn's appearance as he / she only appeared that once.

The rest of the run route is lost in the mists of time and I will leave it to your imagination.

Down Downs records have been lost as well
