

## ERSEY THIRSTDAYS HASH HOUSE HARRIERS

19<sup>th</sup> July 2012

Run Number 211

### Starting at Gallaghers Birkenhead

**The Pack** Carthief, Compo (Hare); Snoozanne; Mad Hatter; Peter Pong; Cleopatra; ET; BJ; Jonah; 10"

We can always expect some devilish trail laying from **Compo** and this run was no exception.

After the warm up inside the pub the Pack assembled

The Hare explained the markings and indicated the Trail started downhill and for once it was so. He said that there was a Regroup, a Regroup, Pub stop and Regroup. The pub had an interesting name.

Down Chester Street

past the ferry terminal

and on along the riverside

to where it looks as if there had been one of Alternative Entrance's fans hard at work

Past

And there was a potential Darwin awards moment  
<http://www.darwinawards.com/darwin/>

with his one eye facing the traffic **Compo** elected to tie his shoe lace.

Thoughts of another Beatles run (see Run 122) (never far from the thoughts for those on **Compo's** run) and these two road signs raised some of the Hashers hopes

but **Compo** assured us that this was a coincidence.

Across the A41

A look at the monument to the tunnel

A slightly closer look at the Regroup

Back across the A41 and down Unicorn way

The FRBs gathered at a Check Back up Green Lane but the SRBs must have been warned by the Hare as none showed up.

Some more Check Backs and we were into Mersey Park where the Hare seems to have borrowed a lawnmower to make sure we saw the Check

Clear across the Park to Elm Road and a less than ambitious sign

A few more Checks and Check Backs and an interesting pub appeared

A reliquidisation and a lesson (A pullet is a barren hen) later and the visit was recorded

Some more

And then it was

And another Beatles reminder (they used to be called The Quarrymen for those of you too young (or too old) to remember.

Still more Check and Check backs with three Checks in one in the square

Through Birkenhead market and then

But despite our best efforts we could not find the Alternative Entrance

Finally the

**Snoozanne** produced the calories

Without any of the elected RAs present a democratic RA was declared and the circle formed.

The Hare was called up.

**Compo** was called up again for his efforts at joining the exclusive Darwin awards club by tying his shoe laces in the middle of the road with his back to the traffic.

**Cleopatra** and **Peter Pong** were called up for something that that looks like Squealy trainers according to my scribbled notes.

**Returnees** (Nearly everyone) **BJ, ET, Jonah, Peter Pong, Mad Hatter.**

We retired to the pub for an interesting discussion about the military memorabilia that covered the walls of the pub. **Combo** explained what an Artificer was.
