The standard Flash was preceded by this one

Although what the connection is between Mad Hatter and VR's pose is anyone's guess.

Finally the

Back at pub the cheese boards and beer beckoned so the Down Downs were postponed until the next run but for the record they were:

The Hare for the run

FCUK Returnee

More shortcutters 10", Snoozanne and Overdrive

Delaying the start ET, Snoozanne

My notes then say Motions all night (was that to do with the beer?)
