

**ERSEY THIRSTDAYS
HASH HOUSE HARRIERS**

19th September 2013

Run Number 246

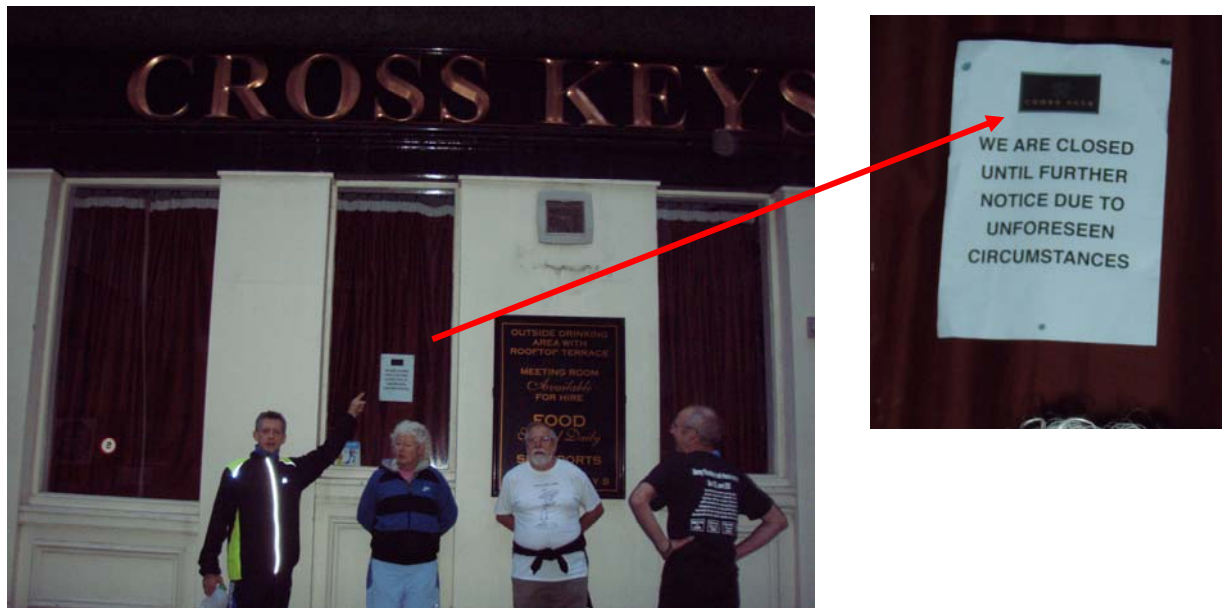

The Lion Tavern 67 Moorfields, Liverpool L2 2BP

Pack 10", Chico (Hare), Snoozanne, Mad Hatter, Compo, FCUK, Carthief, ET

This was a typical Chico run with lots of twists and turns taking in many of the sights of Liverpool.

Heading up to Tithebarn St we headed for

It looks like this now (July 2016)

East Street and Old Leeds St. followed before we came across this

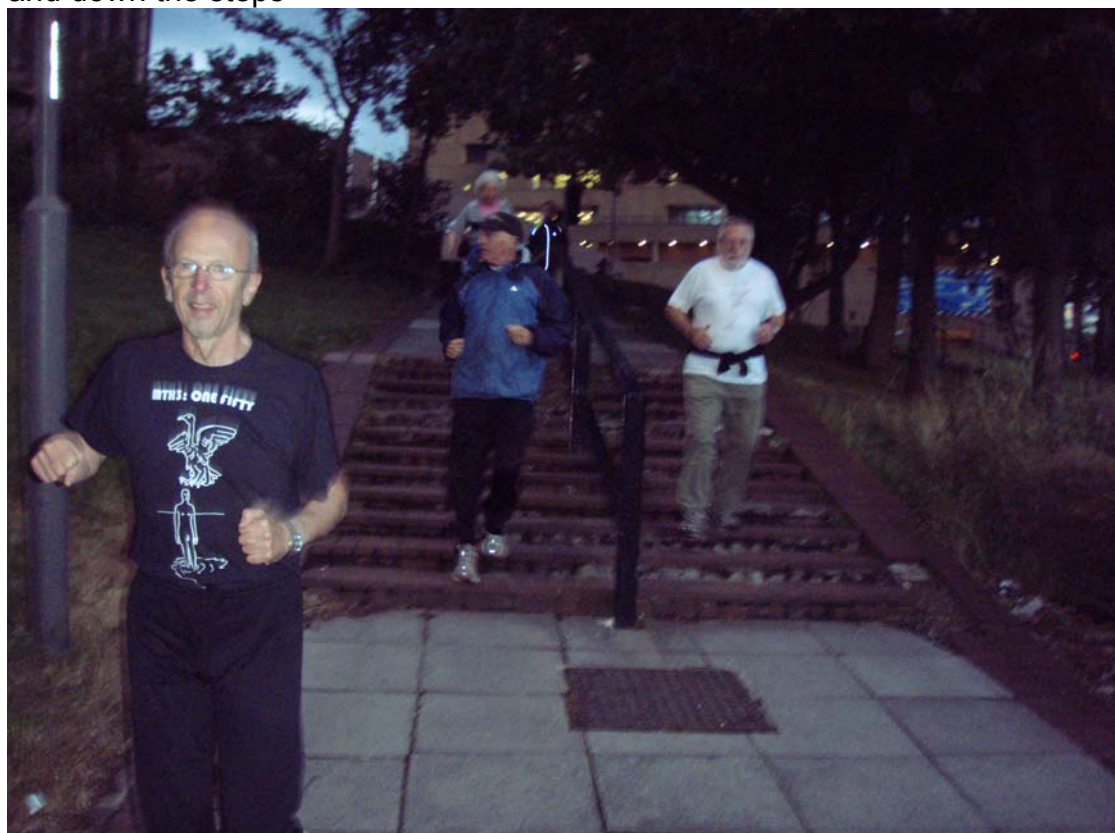

With Chico displaying his talent for I'm not quite sure what

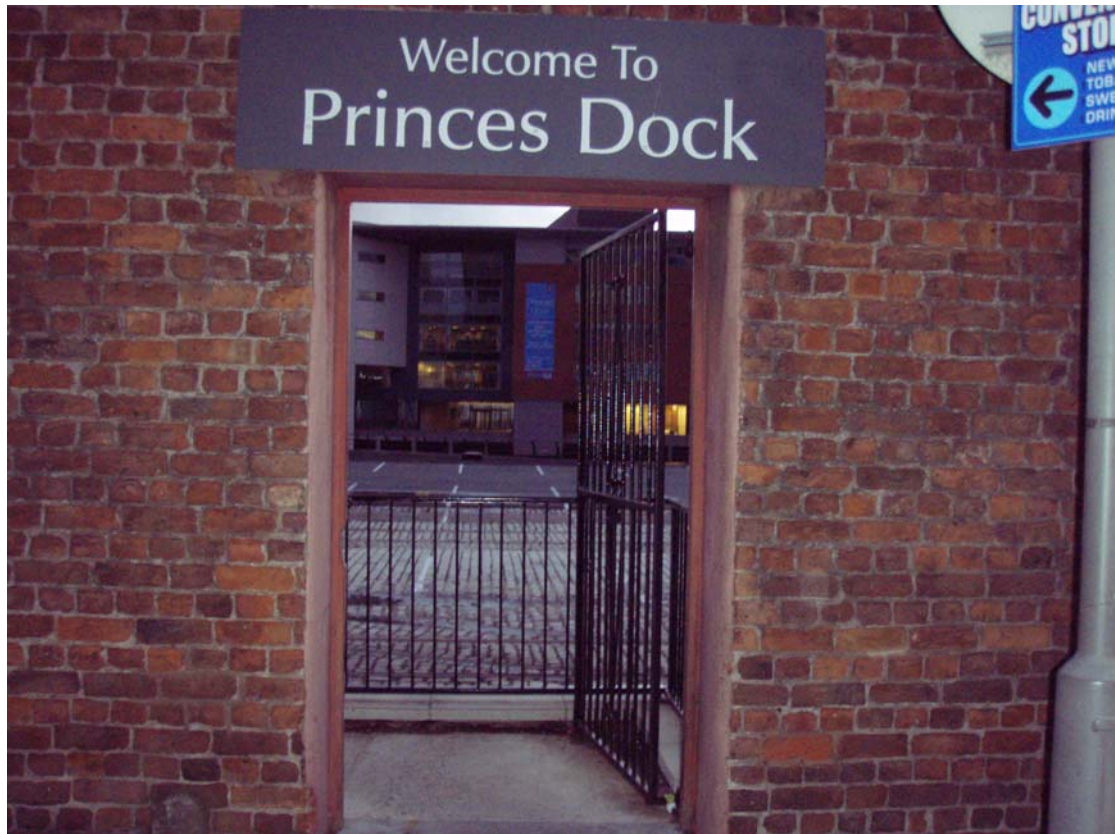

Past the Post and Echo

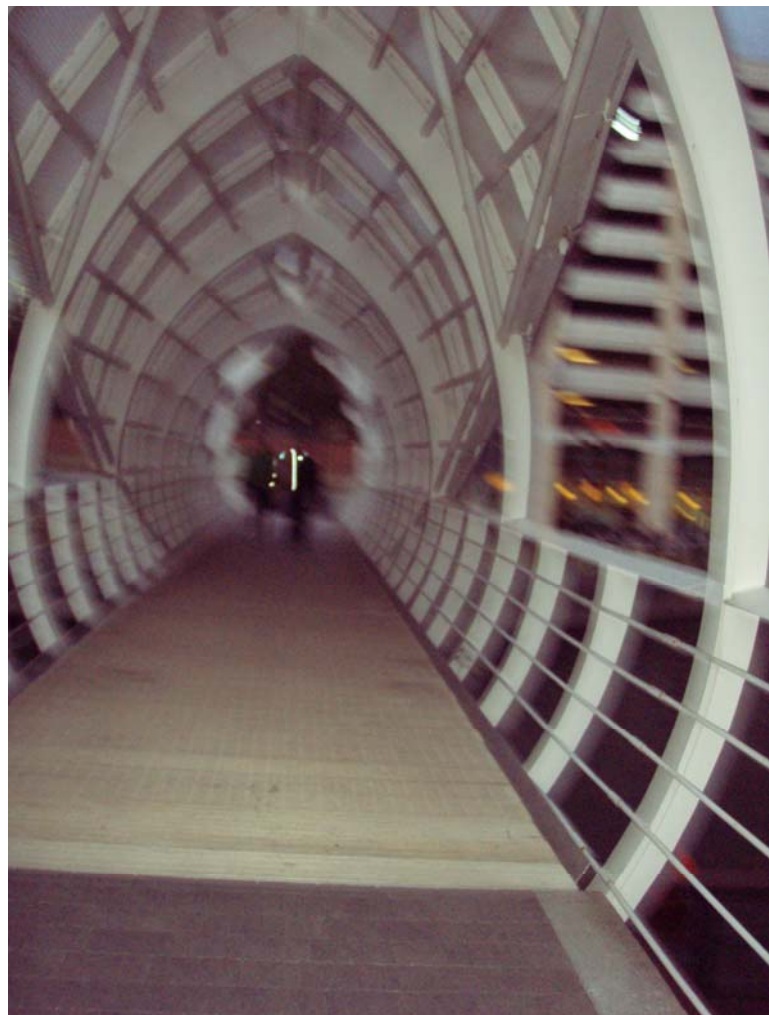

and down the steps

To

Over the bridge

Looking like this in the sunshine

A regroup

and restful view over the docks

past

Past the Baltic Fleet and up to

A little further on FCUK spotted this

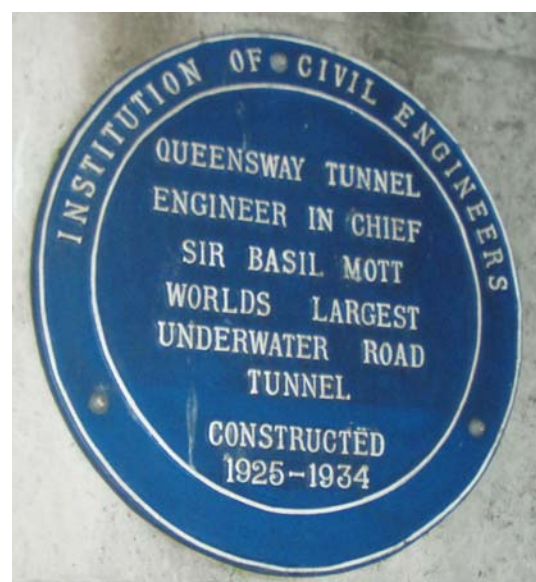

Which prompted ET and FCUK to imitate Snoozanne

followed and then

The

was welcomed.

A wall was chosen as the table
The food was laid out and consumed
rapidly

Down Downs were awarded to

The Hare

ET and Carthief for not enough Flashes

Carthief for 4 flashes in arrears (at least that is what my notes say)

Snoozanne. Only female and in shorts. (End of September)

ET for the food from Iceland

FCUK and ET for their mockery of Snoozanne's hairstyle

Snoozanne, Carthief. For being overtaken by a lady pulling a suitcase!

Mad Hatter for making suggestive noises about chips and then not producing any.

A combined Down Down from last week's run at the Cheshire Cheese

We retired to the pub to warm up and rehydrate ourselves
