

ERSEY THIRSTDAYS HASH HOUSE HARRIERS

31st October 2013

Run Number 250

Clarence, New Brighton

The Pack: Hansel, OTT, Compo, FCUK, 10", Snoozanne, Mad Hatter, Carthief, Sprog, Virgin on the Ridickulous, Chico, Justin (Hare), Peter Pong

Gathering in the pub for inner lubrication, FCUK proudly produced his latest design in T-shirts.

Hansel changed (as did OTT) from their previous T-shirts, and Hansel's bare chest produced a certain frisson through a couple of pub regulars of uncertain age. OTT was more circumspect in her method of changing.

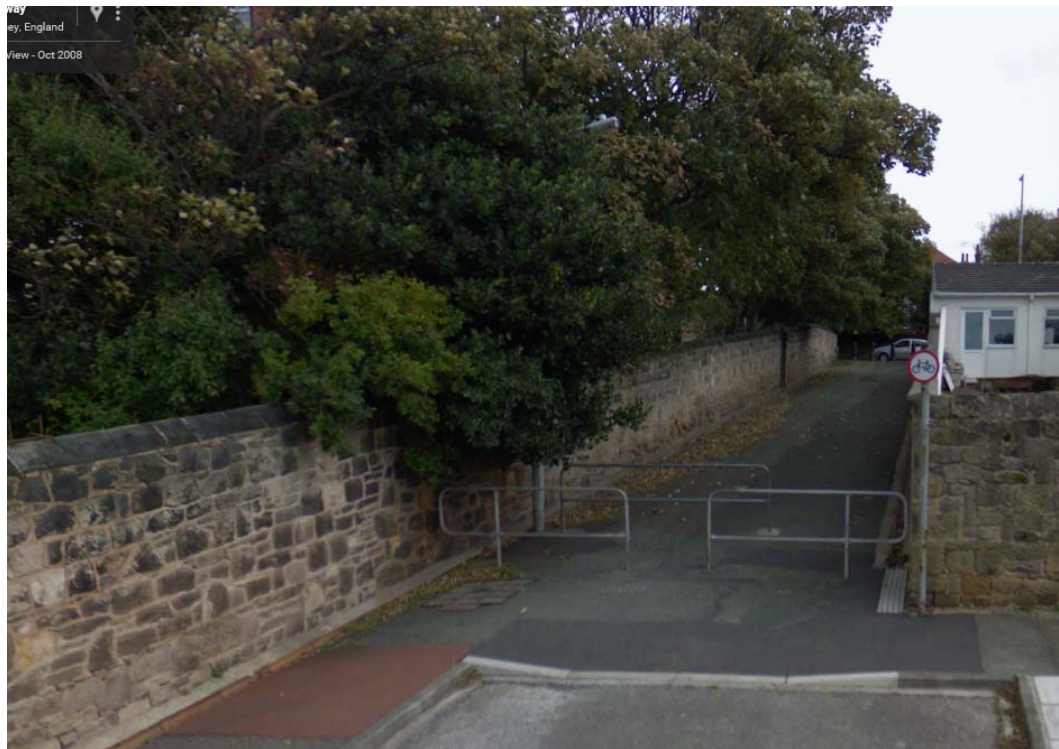

Being 31st October the Hare had produced at least one elaborate arrow

Down Albion Road, Sunningdale and Zetland Road. Through the footpath into Linksway with both Mad Hatter and Peter Pong giving a fair imitation of running.

The same view (well almost) in daylight

Past the fenced off Warren Golf Club until we came to Danehurst Road

Into Harrison Park
and a Regroup

With Snoozanne desecrating the statue

We got excited about this sign until we realised that it was not a Hash.

A few more twists and turns and we were on the seafront admiring the view

Before finally spotting

Back at the Clarence Virgin on the Ridickulous had organised a spread

Down downs were awarded

The Hare whose excuse was that the snails had eaten the flour.

Justin was named Menage a twat (not sure if there are accents on this version but the original has two. ménage à trois

https://en.wikipedia.org/wiki/M%C3%A9nage_%C3%A0_trois

The exact reason for the name is not clear but you get the general idea.

Menage a twat

Chico said that he had thought of buying a mask (for Halloween). Snoozanne said that she thought that he had.

Chico a Kopite (according to my notes) wore a blue hat. He's true blue.
Hansel for his (semi) full Monty in the pub before the run. OTT as well

Sprog. For complaining 3 times that he could not find trail.
My notes read. T shirts not being available to the RA having the wrong body size. There was a note about the improper money receptacle.

Returnees Peter Pong, Sprog, Menage a twat

FCUK. Organising the T shirts for £10 whilst Snoozanne was offering them for £8.50

Compo for taking Hannah's design as co-designers *Mmmm not sure what that means*

Shortcutters VR and Chico
