

ERSEY THIRSTDAYS HASH HOUSE HARRIERS

15 November 2007 Run Number 81 Volunteer Canteen

The Hare: Bloody Bollox. The Pack: Compo, FCUK, Carless Whisper, Snoozanne, Madhatter, 10"

We started; it was blowing a gale, but there was no rain. We headed off into central Waterloo doubling back along Marine Drive to the waterfront and the grassy area, past the futuristic swimming pool to come back to the Volunteer along the back streets.

I can clearly remember tasting Deuchars IPA for the first time and liking it. Now why was that? Pictures of the run?
