

ERSEY THIRSTDAYS HASH HOUSE HARRIERS

Run Number 88 14th February 2008
The Lion Pub, Moorfields, Liverpool

The Pack: Carthief , Compo, Snoozanne (Co-hare), Mad Hatter (Co-Hare), OTT, Carless Whisper, FCUK, Rev Leroy, Mrs Leroy, Austin Powers.

The early arrivals met up inside the pub and then braved the cold to find that some of the Pack had made an effort to dress for the occasion.

Rev Leroy handed out various additional items including a birthday hat for **Austin Powers** and a bag for **FCUK**

The Hare had a broken heart on her chest (something to do with her imminent departure?) and

had certainly made an effort by starting the run outside the Adults Only shop. **Snoozanne** announced that it was to be a live run with pub stops. Pleading for 15 minutes start, the Hares dashed off, and **Lilo Lil** suggested that we investigate the Adult Only store. The dissenting taste buds of **Compo** wanted another beer but was overruled.

Once inside **Lilo Lil** and **OTT** found the largest accoutrement (my spell checker does not “do accents” in case there should be one **FCUK**).

Lilo Lil was then seen to have watering eyes but the resulting photo seems to indicate that she had tried to use the thing.

After about ten minutes the Pack left the shop but not before **Carthief** and **Austin Powers** had described the Hash to the man in the shop. He seemed quite keen so we will have to wait to see if the salesmanship was successful.

Off went the pack down Tithebarn Street, turning into Silkhouse Lane and into Old Hall Street where we found a special monument to Snoozanne’s birthday .

found the Hares again.

Carless Whisper seemed to have succumbed somewhat.

The Hares volunteered that 5 minutes would be enough for them and we duly followed through Hatton Gardens and back to the Lion.

Being cold and with food promised we quickly retired to the warmth, where potted shrimps and several continuations of the Valentine and Adult themes were recorded.

The fuel intake period being over, **Carless Whisper** showed off her engagement ring and received a Down Down.

Austin Powers was presented with a birthday cake and a Down Down

FCUK was not able to sidestep quickly enough and was unanimously voted as Grand Master and a Down Down followed.

All this excitement was too much for **Snoozanne** who succumbed to her Hash name.
